

Wisconsin State Fire Chiefs' Association

Together We Make A Difference

2020-21 MEMBERSHIP DIRECTORY

Engineered to Perform

"Harrison Fire Rescue has taken delivery of our first CustomFIRE pumper and our experience with the process has been **outstanding**. CustomFIRE took our specification and worked with the members of our committee to build a truck that will meet the needs of our community for years to come. CustomFIRE also delivered a truck that showed **attention to detail and quality construction** throughout. I am looking forward to the opportunity to work with CustomFIRE for our needs in the future."

Fire Chief Amos Mikkelsen
Harrison Fire Rescue - Appleton, WI

CustomFIRE offers a wide variety of Pumpers, Tankers, Rescues, and Initial Attacks

FOCUS ON THE MISSION NOT THE TECHNOLOGY

When responding to a fire or emergency, the last thing your teams need to worry about is their ability to communicate with each other. We deliver rugged, purpose-built communication systems that are waterproof, can withstand extreme heat, and are designed to work reliably in any building or environment.

TWO-WAY RADIOS

Best in class audio, secure reliability, immediate performance.

TOUGHBOOKS®

Rugged and reliable computing solutions designed to fit your needs.

MAKE BUILDINGS SAFE FOR FIRST RESPONDERS AND THE COMMUNITY WITH BI-DIRECTIONAL AMPLIFIERS

BAYCOM offers complete Public Safety Radio Frequency (RF) solutions. When responding to a fire or emergency, the last thing your team needs to worry about is their ability to communicate with each other. We design custom Bi-Directional Amplifiers (BDAs), and install systems that distribute radio signals into and throughout a building, thereby ensuring Police, Fire and First Responders can communicate to address emergency situations that are critical to the safety of the rescue workers and the occupants of the building.

ENGINEERED FOR YOUR ENVIRONMENT

We deliver the clear, simple, reliable communications tools your teams need to respond to emergency situations quickly and effectively.

RUGGED SOLUTIONS

Our solutions are as tough and as mobile as your first responders, and can withstand the wind, rain, snow and temperature extremes they work in.

SCALABLE & EXPANDABLE

We help departments make the most of their investments by designing solutions that can be easily upgraded or scaled over time as needs change.

INTEGRATED SOLUTIONS

By combining voice, video and mobile communications the people on your teams will have the information they need to make faster, well-informed decisions.

2019-20 BOARD OF DIRECTORS

Back (L to R) David Dean, Scott St. Martin, Chad Buros, Aaron Paul, Mark Rohling, Craig Olson, Keith Kesler, Tracey Kujawa

**ARE YOU PROTECTED FROM HAZARDOUS
EXHAUST FUMES IN THE STATION?**

Hazardous diesel exhaust emissions in a fire station are a firefighter's most significant cancer health risk. Did you know these emissions could even be a serious legal liability for your fire department?

Eliminate this hazard from your station with Plymovent code-compliant vehicle exhaust capture and removal systems. Our totally automatic start-up and disconnect source capture systems are the recommended method for controlling exhaust emissions at your station.

HASTINGS
air energy control, inc.
creating a cleaner workplace

NEED PUMP TESTING DONE AT YOUR DEPARTMENT?

We are up and rolling for the season.

Full Service Maintenance & Repair Facility

Stryker Power-Load
Install

Tank Replacement
on a 1993 Pierce

DOT Inspections - Mobile Service - Pump Testing - Ground Ladder Testing

MAKE A SEAMLESS TRANSITION TO FLUORINE FREE FOAM

**FLUORINE FREE FOAM
NOW IN STOCK**

We have in stock the most complete and user friendly firefighting A/B agent in the world. Our fluorine free A/B foam eliminates the long established issues of class B foams. It will not clog, gum or corrode foam systems or equipment.

Our fluorine free A/B foam has a neutral PH and an unlimited shelf life. In addition, it holds a third party verification of concentrate free from FFOS and other PFAS. An SDS sheet is available upon request.

rosenbauer

HARTLAND, WI

FAST DRYING FROM THE INSIDE OUT

- Effectively dries hard-to-reach areas
- NFPA 1851 / FEMSA compliant
- Touch Screen control
- Dries up to 18 accessories

Don't Forget About These Strategic Partners

Always ready.

You never know when the call will come in - you just know that you need to be ready when it does. As the largest provider of insurance to over 15,000 emergency service organizations throughout the United States and Canada, we look at it the same way. We're ready to help when the need arises.

- Insurance
- Benefits
- Education and Training
